

THERE'S SOMETHING ROTTEN AT MOTT'S

300 Mott's workers in Williamson, NY have been unfairly forced to go on strike after Mott's proposed slashing wages by \$1.50/hr, reducing 401K contributions, and undermining retirement security.

Mott's, owned by the extremely profitable Dr Pepper Snapple (DPS), is THE poster child for corporate greed.

Help us protect American families by visiting
www.NoBadApples.org

Please think of how Mott's is hurting our families, and consider making a different choice when you are shopping for any of these Dr Pepper Snapple Group products:

- Mott's Apple Sauce • Hawaiian Punch • Margaritaville
- Mr. & Mrs. T Products • Welch's Grape Juice 64 oz.
- Rose's Lime Juice • Snapple cans • Mott's Fruitsations
- Mott's Garden Cocktail • ReaLemon/ReaLime
- Holland House • Clamato

The Union has no dispute with this store and is not requesting that customers refrain from buying any product in this store other than Mott's products.
